

# Employer Contribution Table

Years of Credited Service (excluding sick leave)	State's Base Monthly Contribution If You Were Hired:		
	On or Before 7/1/1996	On or Between 7/1/96 – 6/30/01	**On or After 7/1/2001 (self only)
Less than 10 years	50%	0%	0%
10 yrs less than 15	100%	50%	50%
15 yrs less than 25	100%	75%	75%
25 yrs or more	100%	100%	100%

The employer's percentage of the Base Monthly Contribution (BMC) for the year determines the maximum employer contribution payable. Any difference between the base monthly contribution and the total premium for plans selected will be paid by the retiree

***\*\*If you were hired on or after 07/01/2001, the monthly employer-sponsored contribution will be calculated on the Base Monthly Contribution for a single rate ONLY. You may obtain coverage for your spouse, domestic partner, or civil union partner but you will be responsible for the full premium cost.***
